

# Training Announcement

## **NORTH COUNTRY EMERGENCY MEDICAL SERVICE**

### **EMT-Basic Course with S.G.A. credential**

January 26, 2018- April 27, 2019

Sponsored partly by:

SW Region Emergency Medical Services & Trauma Care Council

Tuesdays & Thursdays 6pm-10pm & and most Saturdays 9am-5pm

Cost: \$750 per student - Textbook and one class shirt included  
(\$200 non-refundable for book and one uniform shirt)

Prerequisites: 17 years of age by the first day of class, if you are still in high school you must get approval from the training chief prior to applying. In addition you must complete a WA state background (wsp.wa.gov \$10), provide proof of personal health insurance, provide proof of required Immunizations (Hep B, MMR, and negative TB test), and obtain professional liability insurance (\$37 HPSO.com).

Class size is limited to 36 students, agency affiliated members will have priority over non-affiliated applicants and then the rest of the space is first come first served. This course includes mandatory internet based exams and it is recommended that all participants secure the use of a computer with internet access prior to class beginning.

#### **Course Description**

The EMT program will train individuals to the EMT level, per National Standards Curriculum, and abiding by the laws of the State of Washington. Students will be able to recognize, at the Basic Life Support level, how to assess and treat medical and trauma related emergencies. This class will prepare for national registry testing only. Certification in the state of Washington requires affiliation with a WA EMS agency.

#### **Course Details**

The course includes lectures and hands-on practice of techniques, including but not limited to:

- Introduction to Emergency Care
- AHA CPR certification and AED use
- Bleeding and shock
- Soft tissue injuries
- Environmental emergencies
- Lifting and moving patients
- HIV/AIDS education
- Emergency childbirth
